February 2024

Message from the President

"All Pulling Together"

I am so proud and honored to have been elected to serve as your president, but also a little intimidated! Following in the footsteps of so many impressive and dedicated women will be a challenge I hope I can continue with the proud traditions and accomplishments that have distinguished the St. Petersburg Woman's Club as a key part of our community! I hope you will all bear with me as I learn "the ropes"!

When my husband and I moved to St. Petersburg from Punta Gorda, FL in November of 2016 to be closer to family, we didn't know exactly what to expect. We have historically lived in pretty small towns – Statesboro, GA; Smithfield, VA; Punta Gorda – so we were unsure how we would like being in a big city. Yes, I know St. Pete is not really considered "big", but comparatively speaking, it looked big to us! What we have found, besides being close to loving family, is a community of warm and welcoming people, and I was especially pleased to have found a home with the Woman's Club. You all have made me feel like an important part of a team of caring, compassionate women who enjoy helping others, who also love to have fun!

I would like to congratulate Mary Beattie and her Arts & Culture CSP committee on a great Arts & Crafts competition and meeting for January. I can say from experience, there's a lot of moving parts to putting together a meeting and a competition at the same time, and Mary's group did a wonderful job. The Health & Wellness CSP has some good things coming for February, so our members should make every effort to make the meeting on the 9th, read your newsletter and **remember to bring your favorite Valentine sweet to share!**

So, with the Christmas and other big seasonal holidays now in our rearview mirror, it's time to look ahead and focus on what we can do in the coming year to fulfill our mission of community service, civic participation, educational programs, and the preservation of our historical Clubhouse. We have many projects that we will continue to support as we keep an eye open for new possibilities, while adding new members and maintaining the friendships and camaraderie we have already built. When we're "All Pulling Together", there's nothing we can't do!

Barbara Sundholm, President

Precella Wallace, Chairperson

We make and collect charitable donations

Thank you, members, for filling Christmas stockings and backpacks for the children at Sallie House and Brookwood. Everything was delivered and it was very rewarding knowing that the children had some gifts to open and enjoy. If stockings or backpacks are not returned, the Civic Engagement Group takes it upon themselves to fill them and it can be costly. At the last minute, Brookwood received three more girls and Carol Tillis took it upon herself to fill the backpacks for them. We thank her for her dedication to the girls.

We recently delivered quilts, pillowcases, crocheted animals and snap bags to Ronald McDonald House. They were very appreciative and willing to accept more. Our sewers and crocheters are on the task and will be making more.

We continue to make bone and neck pillows for Hospice and nursing homes but we are in need of Poly Fill. Do you have any throw pillows that come with the bedding sets that you do not use and want to give them away? Then give them to us. We can use the stuffing from them to fill our bone and neck pillows. We can only accept **UNUSED** pillows. You can leave them in the library near the Wednesday group shelving.

Sallie House continues to need large bottles of shampoo and conditioner.

Reserve this date: **Wednesday, March 27th at 1:00 pm.** We will be assembling Easter baskets and filling eggs for Sallie House, Ronald McDonald House and Brookwood.

Evening News

Cindy Stokes, Chairperson

The Evening Group's first meeting of the year was a big washout...literally! The rain, winds and anticipated high tides forced us to cancel our meeting on January 9th. The following week we got right back on track with a wonderful Book Club meeting to discuss Graham Greene's novel Our Man in Havana - next month it's The Princess Bride by William Goldman.

The Children's Dream Fund has approached us with a number of group volunteer opportunities to consider and we will be talking about volunteering at the Firestone Grand Prix and this year's Empty Bowls event at our February 13th meeting.

We're delighted that the Club has agreed to underwrite our quarterly lasagna dinners for the homeless and hungry at the Praise the Lord Mission on 9th Street South and we will begin planning for our first 2024 dinner scheduled for March.

North, in St Petersburg for some Corned Beef and Cabbage. Of course if you don't like corned beef and cabbage, you could order something else off the menu. They are famous for their fish and chips, and they have the best desserts in town. The owner of this restaurant supplied us with the dessert for our fundraiser this past November, and he really appreciates our business. So let's give him some business back. It's the wearing of the green, and prize to the person who dresses the most Irish. As always, let me know if you plan to attend.

The book club met in December at the club for their holiday luncheon. Everyone enjoyed the feast and the book discussion. We're looking forward to 2024 and wish everyone a happy, healthy new year!

On February 13th we will tackle the banned book, "The Bluest Eye" by Toni Morrison. Kelli Stuart, author of the book, the "The Master Craftsman", will be speaking to our group on **Monday, March 11 at 10:30 am**. (Please note change in date.) It's a story about one of the greatest secrets in Russian history, the Faberge Egg. We invite everyone to come and hear her speak at our club. We are very excited to have an author speaking and discussing the book.

We continue to choose books that are readily available through the library or websites that are not too costly. Members suggest a book and then lead the discussion for that month. This system has worked out really well for our book club. We currently have 33 members in our club and our attendance at meetings ranges from 12 to 20.

Walt Disney said - "There is more treasure in books than in all the pirate's loot on Treasure Island." That being said, the SPWC Book Club is embarking on a community service project. We will be collecting **NEW** children's books for All Children's Hospital and slightly used books for Ronald McDonald House. Many of us have grandchildren that have outgrown their books that could be donated. Check with your children and grandchildren to see if they have books that they would be willing to donate. **ONLY CHILDREN'S BOOKS**. There will be a box at the next general meeting where you can leave the books. Depending on the need, we may be collecting books twice a year.

There is now a dedicated space in the library for books that the Book Club has read. You can check to see if the one you want is available in our library.
