Message from the President

“Overcoming Challenges, Rebuilding Community”

With 2024 in our rear-view mirror, I think I speak for most of us when I say hallelujah! We're moving into 2025 with renewed enthusiasm and pride in our beautiful clubhouse. We still have a way to go before restorations are complete but look how far we've come! I am filled with gratitude and pride in the way you, our members, stepped up and worked so hard to get restorations underway. I see the same effort as we prepare for a new year with new programs, fresh ideas and more opportunities to serve our community.

I would like to congratulate our Arts & Culture CSP for a great meeting and successful Arts & Crafts competition! It's no easy task to arrange such a challenging meeting in the very first month, and Marianne and her group pulled it off so well. Our speakers from the Bill Edwards Foundation brought us many opportunities to sign up for volunteer activities at the Mahaffey Theater's Class Acts and BAM programs and I was pleased to see our ladies eagerly line up to volunteer.

While we're on the subject of Arts & Crafts competitions, I hope you will make every effort to attend the District 14 Art Competition and meeting. It will be taking place at our restored clubhouse, where all the blue-ribbon entries from every club in District 14 will compete for blue ribbons at the District level and the chance to have their projects entered in the State competition in Orlando in April. For more information, we have published the meeting announcement in this newsletter. Deadline for registration is **February 14**, tickets are \$20.

I sincerely hope you all appreciate the amount of work it takes to put together this newsletter. It is a valuable resource for what is happening or has happened in our club. Carolyn DeFreitas is our newsletter editor, and we should thank her for all the time and effort she puts into this 9 months of the year, as well as sending out email blasts to all our members year round.

We have some wonderful programs and activities as well as volunteer opportunities planned in the coming months. We are also open to suggestions if you have an idea where we might serve the community. I want you all to feel welcome, needed and appreciated, so I hope you will all reach out to your fellow members. Find your niche and join a CSP. There's no better way to get to know your sisters than to help out with a meeting or activity!

Speaking of volunteering, I want to brag on you all for the time and effort you put into carrying out our mission during a very difficult year. Our volunteer hours for 2024 have been calculated, and we totaled 17,515 hours over 82 projects, we donated \$2600, made in kind donations totaling \$101,642 and raised \$36,940, and that was even despite losing nearly 3 months due to the hurricane damages! I think that is something we can all be very proud of!!

Barbara Sundholm, President

Membership

Cynthia Guillama, VP

We now have **186** members, which includes **5 new members** since January 1st! Our January general meeting was attended by 48 members and 3 guests. So many in our community have been impacted by the storms. Let's continue to regrow our membership-- maybe reach out to a friend that you think might enjoy our club or consider mentoring a new member!

Membership will host the **February 14th** General Meeting. We will celebrate by having a **"Valentine's Day Tea"** at our usual meeting time of **1:00**. Lots of the ladies like to dress up and wear fancy hats and fascinators so please feel free to do that if you'd like! In keeping with the Valentine's Day theme, members are encouraged to wear **RED!**

We'll have time to chat and get to know each other a little better and then we'll be treated to a special program highlighting the generous **HEART** of the SPWCI. This is a wonderful opportunity for members and guests to learn about the history, significance and accomplishments of our beloved club! Please consider bringing a friend to the tea-maybe they will decide to join!

We will host 80 members/guests. RSVP required to guillamacynthia@gmail.com.

And of course, there will be **refreshments!** Please consider helping by bringing "utensil free" small sandwiches, savories, and sweet desserts. We'll be using our beautiful teacups, and the club will provide both hot and cold tea, and water. Table centerpieces will showcase our unique teapots!

*Tea pot is on, the cups are waiting
Favorite chairs anticipating,
No Matter what I have to do,
My friend, there's always time for you.

The **new / prospective member meeting** will be held 1 hour prior to the **March** general meeting so I hope to see you at **NOON!** You are welcome **to attend as many times as you wish**. This is an opportunity to get to know some of the new members in a small group setting. There will also be a **"NEW MEMBER"** table set up at each general meeting.

Welcome New Members

I would like to thank all the ladies who attended the January Committee Meeting and assisting me in starting to plan for a successful 2025 year. In January I sent out two Member Blasts asking for volunteers for the Mahaffey Bill Edwards Foundation for the Arts and also for tutors to help with the Lawyers for Literacy Program. Both of these programs still need volunteers. Please refer to those Blasts.

Besides the May Cereal collection event and the September Back to School Supply event we hope to have more opportunities to increase our charity involvement.

The next Committee Meeting is Tuesday, February 25th 1:00 pm to 2:30 pm.

Daily Operations

Cathy Allen, VP; Diane Dudley, Assistant

This month our building renovation has almost been completed. We have a little bit of painting to be done, a little bit of electrical touchup and are working on the third bathroom which is in the planning stage.

Everything is looking great and we've had quite a few events. Thank you to everyone who has helped, particularly Carol Tillis who has organized the kitchen. That is a huge job. We are nearing the end and I am very grateful.

We are hoping to have a grand reopening at our March general meeting. If you would like to help, you can give either Gail Brazzell or me a call. Happy February.

Club Calendar

Friday, February 7, 10:00 a.m. First Friday Morning Games - Join us for a morning of board games. We mostly play Mexican Train and sometimes Rummikub, etc. We play until noon and then we break for lunch.

If you are a newer member, it is a great way to get to know people. Give it a try.

Thursday, February 20, 7:00 p.m. BUNCO - BUNCO PLAYERS PLEASE TAKE NOTE - Bunco has been moved to Thursday this month due to a booking on Friday the 21st (and we do need the bookings to recoup the cost of Helene to our beautiful and historic Clubhouse). As always, just bring a snack to share and your own beverage. Again, if you are a relatively new member, this is a great way to get to know other members. Give it a try. Please let me know if you plan to attend.

Friday, February 28, 5:00 p.m. - Shrimp Store on 4th Street - I think it has been over a year since we have been here, so it's time. Why 5:00 p.m.? Because some of you might want to take advantage of the early bird specials. They have yummy homemade Sangria too. As always, please let me know if you plan to attend.

5 Surprising Benefits of Walking!

1. **Counteracts the effects of weight-promoting genes.** The effects of these genes on participants who walked briskly for an hour a day were cut in half.
2. **Helps tame a sweet tooth.** A short 15-minute walk can curb cravings for a variety of sugary snacks.
3. **Reduced the risk of developing breast cancer.** Women who walk 7 hours or more a week have a 14% lower risk of breast cancer.
4. **Eases joint pain** by lubricating joints in the hips and knees and strengthening the muscles.
5. **Boosts immune function.** Those who walked at least 20 minutes a day/5 day a week, had 43% fewer sick days and if they did get sick, it was for a shorter duration with milder symptoms.

Evening News

Evening News

Tyler Kornatowski & Li Watts, Co-Chairs

The St. Petersburg Woman's Club Evening Group kicked off the new year welcoming several new members and volunteering throughout our community. We gathered funds, shopped, cooked and served dinner to families staying at the Ronald McDonald House while their children are in the hospital. We had another successful Missio Dei dinner preparation and delivery feeding over 100 people and have four more dinners on the books for 2025. We served lunch to food insecure populations for Feeding Pinellas at the Trinity Cafe and Food Pantry. Several members are volunteering for Lawyers for Literacy, tutoring local third graders to improve their literacy skills.

As the SPWC continues to repair hurricane storm damage to our clubhouse, we are helping "beautify" by updating the upstairs bathroom and the china cabinets in the kitchen.

Congratulations to Petra Urban (crochet) and Marianne Snyder (photography) for placing in the SPWC Arts & Crafts Competition! Petra is now generously offering to teach others her craft in order to raise funds for Evening Group projects.

At our next Meeting on February 11, we will collect donations of evening gowns and cocktail dresses to support Goodwill's Belle of the Ball. It promises to be a fun evening as we celebrate "GALentine's" Day and bestow prizes for the most outlandish outfit! We welcome you to join us. If you cannot attend the social, you can either drop off dresses at the clubhouse marked "evening group" or bring dress donations to the Friday 14th meeting.

For more info on the SPWC Evening Group, contact Li Watts at liwwatts@yahoo.com or Tyler Kornatowski at tylerkpta@comcast.net.

Arts & Culture CSP

Marianne Snyder, Chairperson; Mary Fletcher, Assistant

What is the Arts & Culture Community Service Program??? To paraphrase, according to the GFWC Club Manual: We hope to provide the impetus for the development of and the appreciation for Art and Culture throughout all our involved communities and to provide creative project ideas, support to ensure greater impact, and encourage club women to participate in and/or otherwise facilitate a love and appreciation for the arts across their community and within their entire sphere of influence. If you are interested in joining our CSP, please contact Marianne Snyder – MarianneSnyder233@gmail.com

Our **2025 Arts & Craft Competition** was displayed at our general meeting on the January 10th. I'm sure you can appreciate all the talented woman who entered and **we hope you will consider participating next year**. We had 26 entries in 17 categories with 8 members and the Health & Wellness CSP participating. Best in Show was awarded to Cheryl Martin for a machine and handmade quilt. Our 1st place winners were Oneita Tinsley, Petra Urban, Carolyn DeFreitas, Barbara Sundholm, Cheryl Martin, Annette McComas, Marianne Snyder and the Health & Wellness CSP group project. 2nd place went to Carolyn DeFreitas, Judy Cunniff, Marianne Snyder, Annette McComas and Oneita Tinsley. Marianne Snyder also had a 3rd place entry.

We hope you enjoyed the speakers at the meeting – Amy Miller and Katrina Young from the **Bill Edwards Foundation for the Arts**. They elaborated on what they do and explained the volunteer opportunities with the foundation - we will be working with the Education and Libraries CSP on the Mahaffey schedule. Judy Hunt will be keeping track of those that have volunteered - **if you have not volunteered yet**, please contact her – Judy-Hunt@outlook.com The dates for Live Performances are – February 4, 10, April 9, 15, 30, May 6. BAM will be on February 19th (also the district 14 meeting) and March 31st.

Speaking of the **District 14 ARTS meeting**, it will take place on **Wednesday, February 19th** at our club from 9:00 to 1:00/2:00. Our 1st place winners, as well as those throughout the district, will be on display. It would be great if we could have many of our members attend. The cost is \$20 per person which includes brunch. You can register online at: <https://forms.gle/YWaNDaTmiauZnFpp6> Payment options (check, Zelle, or credit card) will be emailed to you with your registration confirmation. **Deadline: Registration & payment are due by February 14, 2025, by 5:00 p.m.**

Mary Fletcher met historian Lu Ponte at the St. Pete Museum. Lu is an author and just published her book [She Soars](#) about 14 women pilots in the early days here in Florida and their accomplishments in flying against all odds against the men. We hope to have Lu Ponte as a speaker in the near future. There will be a **Pancake Breakfast** at the Albert Whitted Airport on **February 8th from 9 am to 1 pm** that some of the members may like to attend. The cost is \$15 and includes pancakes, eggs, bacon, orange juice, coffee, tea and bottles water. It benefits Albert Witted Museum Project and the Ninety-Nines scholarships. The Ninety-Nines are a non-profit international organization of Women Pilots. We will promote it as an event from the Arts and Culture committee. **Mary will take the RSVP's at mfletcher99@icloud.com** Hope you can join us!!!

We will be planning future events so keep an eye out!!!

We make and collect charitable donations

Welcome to 2025 and the new club year! The Health and Wellness Community Service Program aims to serve our community in the advancement of physical and emotional care, nutrition, and disease prevention. We have a variety of community service projects to enhance the physical and mental wellbeing of our community through sewing and craft projects for **Hospice, Ronald McDonald House, Meals on Wheels, Salvation Army** (Children's residences), and **nursing facilities**. We provide toiletries to **St. Pete Free Women's Clinic** and the children's residences as well as writing personal cards to encourage those in the military through **Military Matters**. Our two major service projects each year are the Easter Egg Hunt and Christmas Stockings for the children's residences. We will keep you posted on all our events.

In 2025, we started a new service project that everyone can join that turns walking into donations!

Charity Miles is a free app that tracks your steps throughout the day and turns them into donations to a charity of your choice. Use the QR code in this article to sign up to "fly solo" and then join our team, **GFWC St. Petersburg Woman's Club**. The Team is 14 members strong and has walked a collective 720+ miles over the last 30 days! Some of our members are enjoying a bit of friendly competition, too. Our top movers are Marianne Snyder and Margit Smith at 94 miles/30 days! Not sure what kind of sneakers they are using, but I need a pair of those!!! Any questions? Give Annette McComas a call (727) 348-9602.

Health and Wellness meets **every Wednesday at 1PM at the club**. The first Wednesday of every month is our regular meeting, 2nd Wednesday demonstration/class/guest speaker, 3rd and 4th meetings are hands-on projects. Generally, we have at least 10-14 members each week. Please join us at any time.

On January 15th we had our first demonstration class by Dawn Reid on how to make a decorative pillowcase using the "Burrito" method. It was craft trickery to get the job done! I thought we were doing it backwards more than once! Everyone enjoyed the time we spent exercising our minds together. Next class will be in March by Carolyn DeFreitas on crocheting.

Supply Needs: Big colorful buttons for fidget muffs, flannel, Pellon, eyelash yarn, small toiletries, and large children/teen toiletries.

To Everyone at the St. Pete Women's Club -

Thank you so much for your generosity throughout the years. Our kids here at Sallie House and Children's Village truly appreciate everyone on your team who gives to our kiddos and makes their Christmas magical. We hope you all had a Merry Christmas and have a healthy and prosperous New Year!

Thank you so much again,

Gianna Barrett / Director of Children's Services
